## The following rates are for Sporting Clays Events at Hidden Brook Sporting Club

When you book a clay shooting event at Hidden Brook Sporting Club you have several options:

### Option 1

Call us to secure a date and time for your event. We will take a \$50 non-refundable deposit at that time, which will be applied to your event at check-out. On the day of your event you arrive at Hidden Brook and upon checking in you will be given a station card, rental guns, ammo, cart and anything else you need to enjoy your day. If you are new to the club, you will sign a waiver and have a safety review. Then you go out on the course and make your way around our 14 stations.

### Option 2

You are looking for something a little different. For a lot of groups, shooting might not be a past time for all participants and what you want is people being successful, having fun and experiencing a memorable day.

We offer an elevated experience for these groups. Being NSCA certified instructors, Tracey and I facilitate the day for you. Call us and together we secure a date and time for your event and you and your group simply show up. Everything is ready and waiting for you.

We have a safety review. Then jump into carts and get out on the course. We float between groups and give light instruction to ensure everyone is hitting targets. We also take pictures and videos and supply those to you within a week of the event.
